Dear friends of the Albany Police Supervisors' Association:

First, let me introduce our association to you: We are a nonprofit organization representing the Sergeants and Lieutenants of the Albany Police Department. Having formed in October of 2004, our Association is fairly new and may not be widely known to the businesses and citizens of the great City we serve. Our members are professional and dedicated police supervisors who directly oversee the men and women of the Albany Police Department and we are committed to providing those men and women with the proper guidance and leadership they need and deserve.

In addition to representing our membership, we would like to become more deeply involved in the community we are so honored to serve. One of our goals is to work towards supporting some of the many youth organizations in the City. Additionally, for the past two holiday seasons, our Association's membership has contributed to a fund which supplies Christmas gifts to needy families in the City of Albany. We also participate in worthy community events such as our annual sponsorship of the Lieutenant John Finn Memorial Blood Drive conducted by the American Red Cross. This is only the beginning of our vision of giving back to the community we so proudly serve. In order to continue to serve our members and expand our civic involvement, we need your support.

Our Association is seeking your support is what is to become our official yearly publication, The Albany Supervisor. The Albany Police Supervisors' Association plans to produce, publish, and distribute this high quality informative magazine. Members of our Association will develop the content of the Supervisor and we believe it will be a publication you'll be proud to be a part of. Our residential supporters will be acknowledged with a listing in our publication. Please take the time to review the levels below. Gold patrons and above will be mailed The Albany Supervisor. Copies of the Supervisor will also be available by calling our Association at 454-4352. If you would like to contribute and not have your name listed, please advise us using the information provided below. Please take the time to write a check payable to the Albany Police Supervisors' Association and return the check with the enclosed tear-off card and the self-addressed envelope provided. Any donation would be greatly appreciated. Our target date for distribution of the Albany Supervisor is the spring of 2007. Please note that contributions or gifts to this organization are not deductible as charitable contributions for Federal income tax purposes.

Please remember that this is our only fundraiser and mailer, assisted by Nordel Publishing Inc., the publisher of The Albany Supervisor. There are many organizations that contact the public claiming to represent your local Police Department, or PBA. They are paid professional telemarketers and not from the Albany Police Supervisors' Association and have no affiliation with us. The Albany Police Supervisors' Association values your privacy and to prevent fraud, **will never solicit residents by phone and never pick up monies at your home.**

On behalf of the members of the Albany Police Supervisors' Association, I would like to thank you for your generous support of our organization. If you have any question, please feel free to contact the Albany Police Supervisor's Association at 454-4352.

Sincerely,

Detective Sergeant Kevin M. Connolly
Editor, The Albany Supervisor
